

*August 10-12, 2012* - Mott Electric GP, MTI (Mott Telecom Inc.), 4<sup>th</sup> Utility and some of their clients enjoyed three full days at the 50<sup>th</sup> Annual Abbotsford Air Show in one of the executive chalets.

The Abbotsford airshow is a bi-annual tradition at Mott. The chalets at the Air Show provide a unique atmosphere that gives staff and clients to

socialize with their families in a non-work environment.

Lots of fun, laughter, good food and amazing aircraft made all three days a huge success. Special thanks to Wade, and the rest of the Air Show staff who made the entire event flow smoothly.
